

## **FOR INDIAN RESEARCH /EDUCATIONAL INSTITUTES ONLY**

The department has revised the policy regarding supply of meteorological data to the INDIAN Research/ Educational institutes with effect from 1.4.2009 .

Now the Research / Educational Institutes other than those which come under the ministry of Earth Sciences should register with IMD on prescribed format done with their specific details of project so that data can be given to them free of cost.

The Registration charges are Rs 5000/- and it is valid for one year. It has to be annually renewed by duly filling the Renewal form and payment of Rs.1000/-. After the registration, IMD will communicate a registration number which has to be always referred by the party in their data request form.

### **Note:**

- 1) The registration / renewal charges are accepted only as Demand Draft on any nationalized bank forwarding "Additional Director General Of Meteorology ( Research)", payable at Pune.
- 2) The bulk supply of data exceeding data size of 10.0 MB /1 lakh records are generally not supplied, as per in departmental policy.
- 3) The registration forms duly filled in alongwith the undertaking certificate, DD , etc., are required to be forwarded with a covering letter on the letterhead of the institute by the Head / competent authority
- 4) Kindly visit the website [www: imdpune.gov.in](http://www.imdpune.gov.in) for more details.
